Please do NOT font Qcon Live. I don't want to be sending people to this specific Qanon website. Its disinformation. (Tiffany can you make sure Qcon is not in MS file either). I take any heat from Triad on this. Thank you.

Published and here are fonts. Donie says we do not have to font qcon.live but I included it in the fonts page, just in case.  
Must font Qanon Anonymous Podcast.

Hi all –

Just to update... I'm logging off at 7pm and Tiffany will be taking over and seeing this through to air.

If you have questions after 7pm... please send to her.

The script was just approved by TRIAD. Right now it is clocking in at 3:30 on paper...

Tiffany will let you know the TRT after we get the final tracks laid shortly.

Lastly - what time is this hit in the show tonight?

Thank you!
